

# NWP300

## Networked audio input panel - BT + 3.5 mm jack (4 CH)

### Highlights:

---

- Integrated Bluetooth receiver
- 4-channel Dante™/AES67
- Internal mixing & DSP processing
- 3.5 mm jack

### Product information:

---

The NWP300 is a Dante™/AES67 networked audio input panel, featuring a 3.5 mm jack stereo input connection and an integrated Bluetooth receiver which can transmit audio signals in a Dante™ audio network.

Various further integrated functions such as integrated equalizing, automatic level control and other device settings can be configured through the AUDAC Touch™ app.

The front panel is finished with high-grade materials such as hardened glass makes them blend into any environment. These wall panels are compatible with standard EU-style in-wall boxes, these wall panels are the ideal solution for solid and hollow walls.

The IP-based communication makes it future-proof while also being backwards compatible with many existing products. In contrast, the limited PoE power consumption makes it compatible with any PoE network-based installation.

### Certification:

---

### Properties:

---

Internal mixing & EQ

### Additional Inputs:

---

Bluetooth

### Variants:

---

- NWP300/B - Black version
- NWP300/W - White version
